Babysitters Training Academy

At **Babysitters Training Academy** you will learn how to build and grow your business as a babysitter. You will also learn how to care for infants and children which includes infant and child CPR, signs of choking, First Aid and other important skills a true babysitter should know. Most importantly, you will learn negotiating skills when you are being interviewed for a babysitter job. If you are between the ages of 11-15, have mom or dad call us today to get more information, 205-774-5203 or email ctsbham@gmail.com.
